### **SPRINT START(400m)- 07.50 (approx.)**

Wait/Q in race number order

You will enter the water after the person in front of you has started.

The swim will be a 'Snake' type (using all four lanes) starting in the shallow on the far side away from the exit.

Competitors will be started approx.. 20-30 seconds apart and will swim keeping to the left.

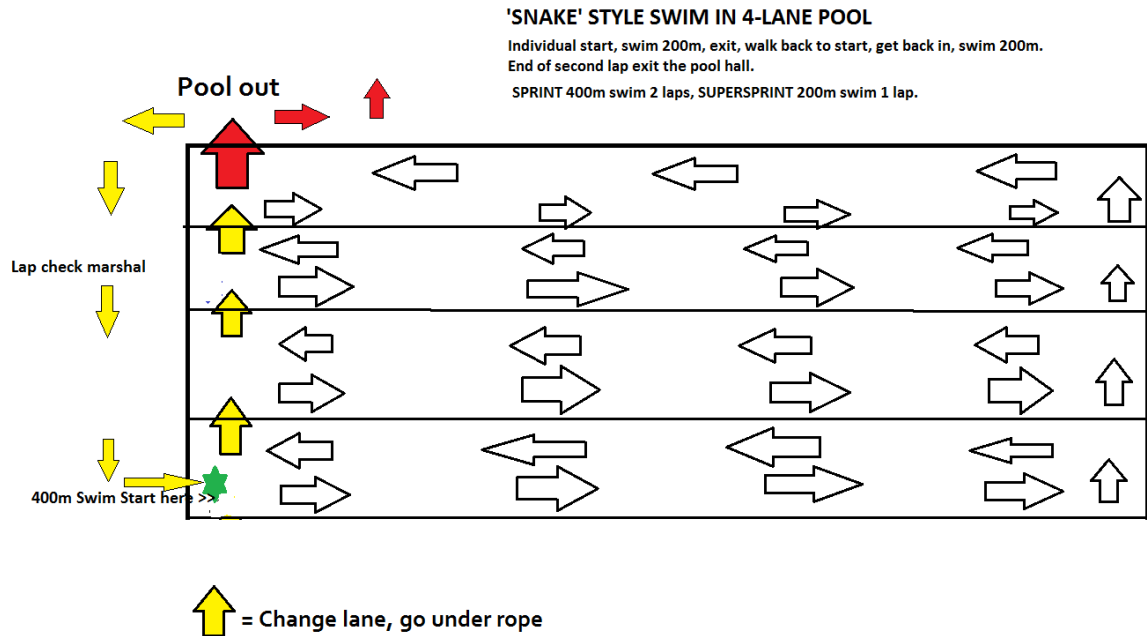

- Swim up and down the lane, at the shallow end drop down under the lane rope into lane 2 and again swim up & down.
- Keep to the LEFT, of the lane.
- Touch end of the pool, exit pool
- Proceed to starting point, enter water (swim starter will ensure a suitable gap).
- Swim course again.

### **SUPERSPRINT START (200m) – 08.30hrs (approx.)**

- Snake swim as above, one lap then exit.

## **SWIMMING CONDUCT & RULES**

- No tumbleturns,
- NO DIVING (DQ able)
- Give way at the end of the length to faster swimmers behind you.
- If your feet are touched, stop at the end of the length, and allow them through.
- PLEASE NOTE: New rules for 2018, for dangerously overtaking in swim lane, there is a 'Stop & Go' Penalty.
- Only breaststroke or front crawl, no backstroke
- No Running on poolside,
- Exit the pool, WALK along poolside, exit through far door and into the cycle transition area.

**DUATHLON**

Briefing at 07.45hrs start straight after by the finish area.

**TRANSITION**

Locate your cycle, before touching your bike put on and secure your cycle helmet.

Take your cycle and walk/run to the cycle exit (Do not ride).

Stop and mount in a marked area.

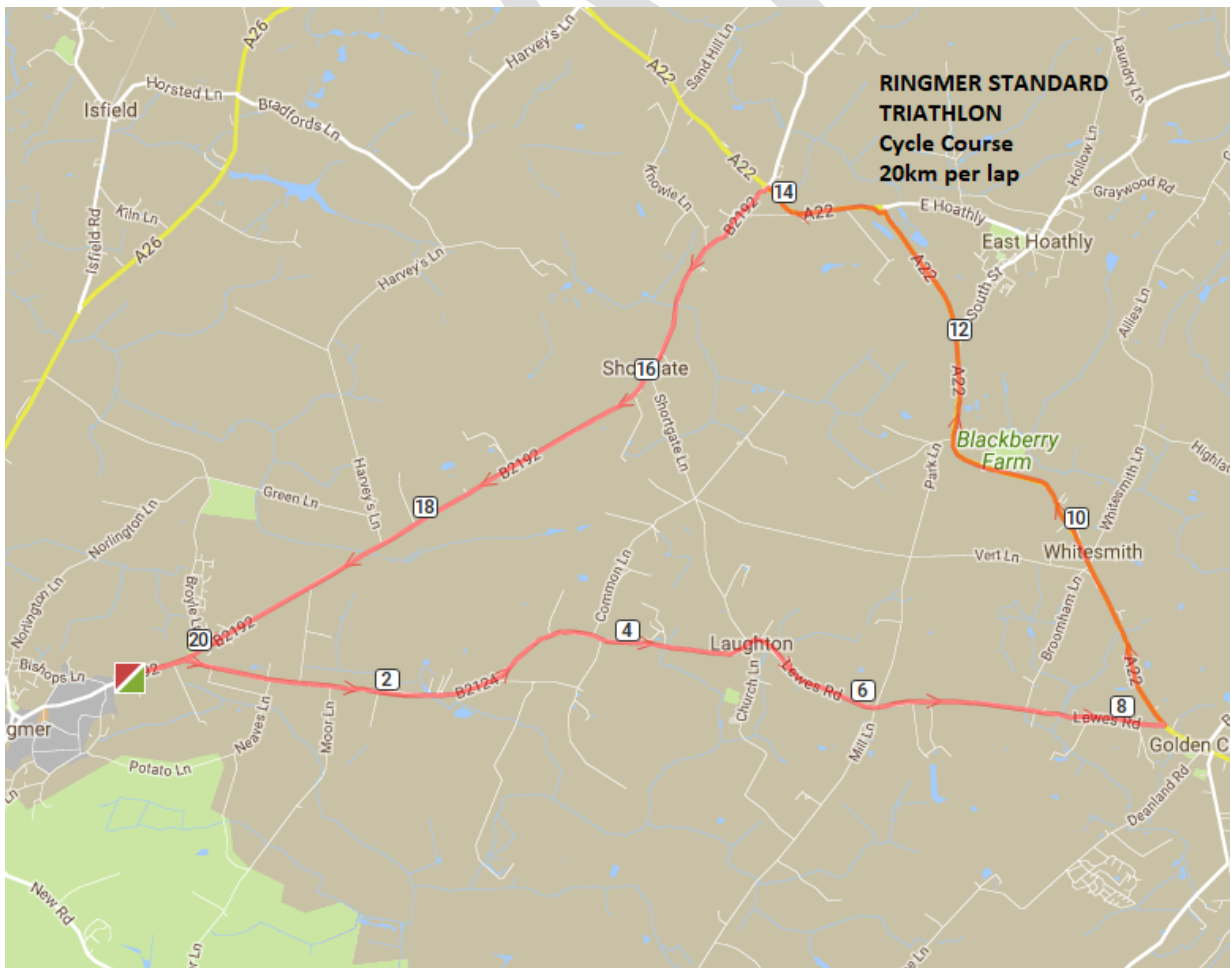

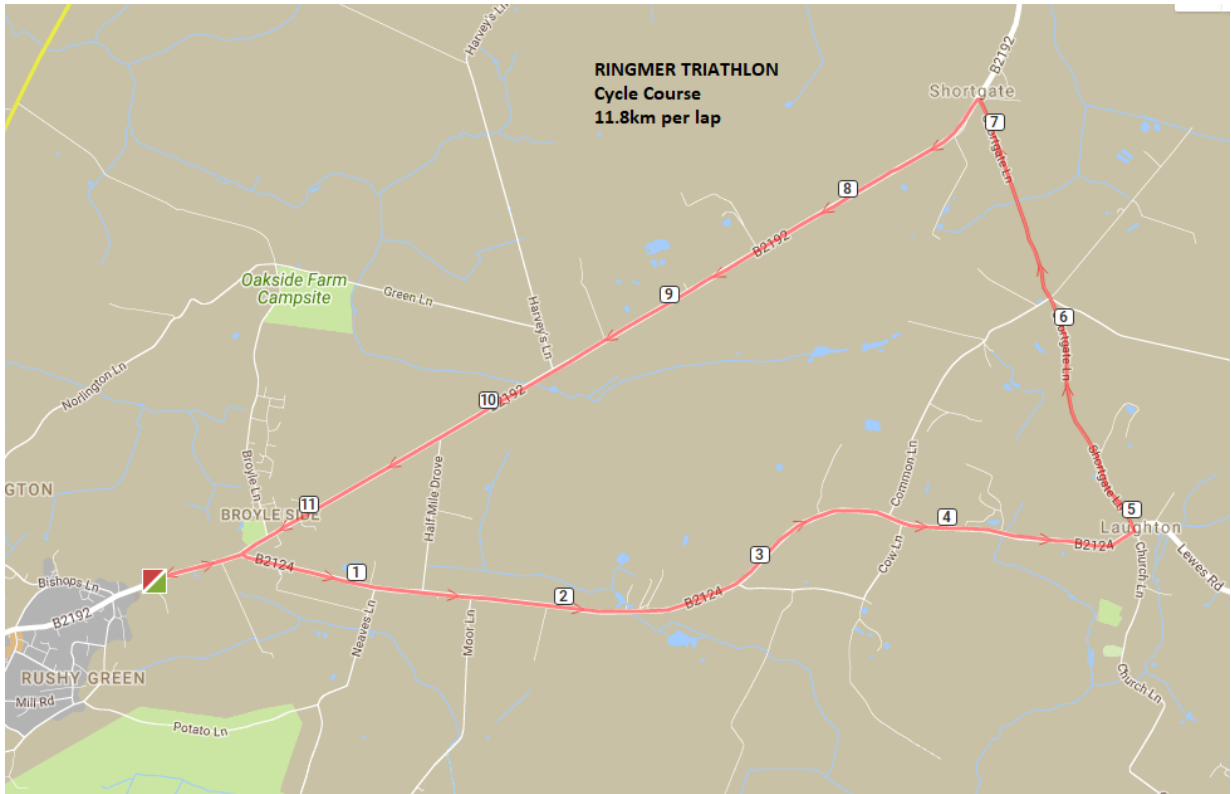

Check the way is clear and start your cycle section.

**CYCLE SECTION (Standard= 40km 3 laps, Sprint & Duathlon= 23km -2 laps, Supersprint= 15km -1 lap)**

Standard

- When on the highway the rules of the 'highway Code' MUST be followed. Failure to do so will mean disqualification and risk the event in the future.
- There is 'NO Drafting' meaning you keep 10metres from the cyclist in front, unless overtaking. If overtaken YOU must drop back 10metres.
- Marshals around the course turning points,
- Follow the TRIATHLON signage 24"x18" bright fluorescent yellow with black writing/ arrow.
- Please obey the marshals if told to stop.

### COURSE – Out > Laps> Back

- Standard 3 laps
- Sprint/Duathlon 2 Long Laps
- Supersprint /GoTri 1 Lap
- All the route is sign posted, the description and types used will be mention at the race briefing. Any other know races taking place will also be mentioned.
- Please observe all stop signs.
- Follow the highway code at all times
- Come out from transition turn right on to Lewes Road.
- There is a compulsory stop and foot down before you turn right and join Lewes Road. This is for your safety and of that of other road users. A Marshall will be there to make sure that this rule is followed.
- Only join the highway once it is clear and safe to do so.
- Head towards the mini-roundabout (this is the only roundabout on the course); you will pass the Green Man pub just before this roundabout
- At the mini-roundabout, turn right onto Laughton Road if it is safe to do so. The roundabout will be marshalled to help slow traffic and cyclists approaching it. **NB- the marshal does not however have the power to stop traffic and will not remember how many laps you have done due to the large number of bikes passing through. Please be prepared to stop if on-coming vehicles are also turning right as per the RTA**
- The bike course is now anti-clockwise in direction. Stay on this wide, fast road until entering Laughton village
- Turn left into Shortgate Lane. This turn will be sign posted but it is a sharp turn (just before the Roebuck Inn). Shortgate lane is a narrow, undulating country lane, so please be careful if you need to overtake
- At the end of the lane is a STOP' sign. **This is a compulsory stop. The marshals have to record your number if you fail to stop and failure to comply with this will result in a time penalty. A second failure (Sprint race only) results in a DQ**
- Please double check the traffic from your right before you set off, turning left onto Broyle Road. This is another wide, fast, undulating road that takes you back to the mini-roundabout from earlier.

- Please do not 'draft' (slip-stream) closely behind others as it is against the BTF rules and penalties will be given
- On the re-approach to the mini-roundabout, slow down and prepare to stop. This is because it is harder to see the other roads approaching the roundabout from this angle and can confuse car drivers

**Super Sprint / Novice = 1 lap.** If your exit is clear, proceed straight over the roundabout back onto Lewes Road and follow your way back towards where you started the bike course

**Sprint = 2 laps.** When you have finished the first lap, turn left at the mini-roundabout and repeat the route described above a second time. At the end of the second lap, slow down as before and then go straight across the mini-roundabout onto Lewes Road and head back to transition. It is your responsibility to count your laps and to listen to directions and rules given during the briefing

### **Standard Race**

The standard race uses the same start and ending, but instead of turning left at Laughton you continue towards Golden Cross and then left on the A22. You will travel north east until you reach north East Hoathley roundabout, take the first exit. Next is the Halland roundabout, turn left here towards Shortgate. After a few miles you re-join the supersprint and sprint route. When you reach Ringmer you come to the first mini roundabout near the Greenman Pub, turn left towards Laughton for the 2<sup>nd</sup> lap. After completing your 2<sup>nd</sup> lap go straight on from this roundabout towards the college.

### **Standard = 2 Laps of longer course**

Remember: **You are responsible for your own safety on the highway and follow THE HIGHWAY CODE.**

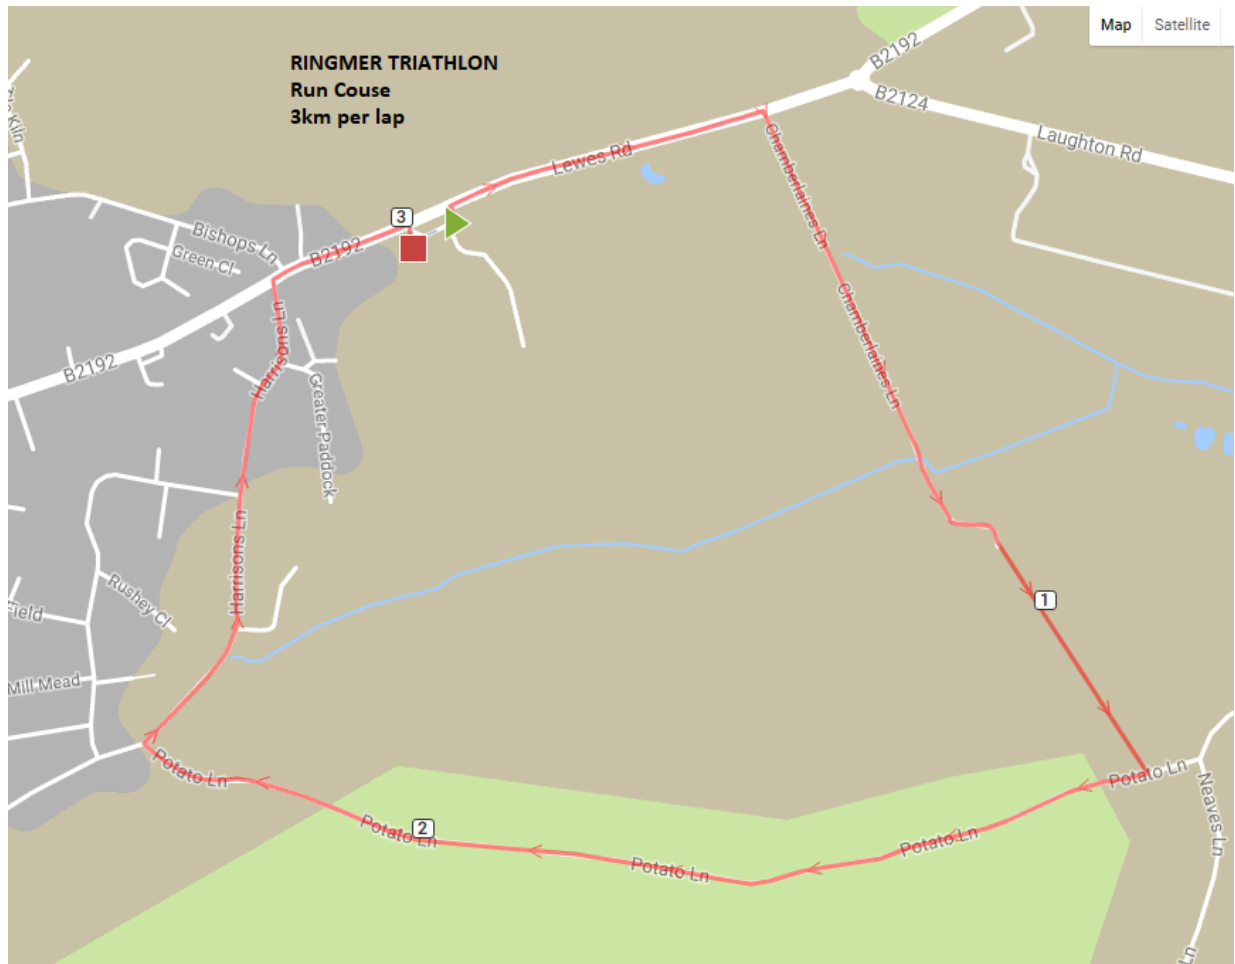

### **TRANSITION FROM CYCLE TO RUN**

Place your cycle in the correct position before unfastening and taking off your cycle helmet. When ready run through the 'Run out' exit on to the run.

**RUN SECTION** (Standard- 3 laps, Sprint/Duathlon -2 laps, Novice- 1 lap, Duathlon 1<sup>st</sup> Run=2 laps, 2<sup>nd</sup> Run =1 Lap)

[Click here to view the run course](#)

● **Supersprint / Novice**

- The run route is 1 lap and clockwise
- The exit of T2 is the 'bike out' gate next to the bike mount point
- Turn right on the footpath next to Lewes Rd then turn first right down Chamberlaines Lane (200m down this lane is the **water station** and where you collect your wrist band)
- Follow the lane round. This will take you to a public footpath across a field
- When you reach the hedge on the other side of the field, go over a turnstile on to Potato Lane.
- After about 1.5km, turn right into Harrison's Lane. 1km down the road you will turn right on to Greater Paddock road
- Follow the arrows back to Lewes road. Turn right following the footpath to the entrance of the school. The finish line is next to the bike sheds.
- Novice when finished should have 1 red band

## **Sprint/ Duathlon**

- As per Novice race above but commence a second lap (still clockwise) by continuing past the school entrance taking care of cyclist coming in and out of transition.
- Turn right down Chamberlaines Lane where you collected your wrist band from the marshal and complete a second lap.
- Make sure you collect a second band to show you have completed two laps. Please hand these into the marshal after you have finished.

## **Standard**

- As per sprint race above but commence a 3rd lap (still clockwise) by continuing past the school entrance taking care of cyclist coming in and out of transition.

## **General run course details**

- The water and band station (this is where you collect your lap counting bands) will be located at Chamberlaines Lane.
- You will be running on public footpaths, a quiet road and fields
- Take care and listen to the marshals

## **FINISH**

Congratulations, you made it! Stretch, cool down and relax.

## **TIMING**

Times are taken manually at: Start, End of Swim (or end of 1<sup>st</sup> Run), Start of Run, Finish. So both cycle transitions will be in the Cycle time.

## **Just a few basic race rules:**

- Use of MP3 players/ Go Pro or like video and mobile telephones anywhere around the course is prohibited.
- Cycle helmet must be worn and fastened when cycle is in use.
- No riding or running together, triathlon is an individual event.
- Race numbers must be visible at all times, on your back for the cycle, on your front for the run. If we can't see the number we can't give you a time.
- Only competitors allowed in the cycle transition area.
- Cycling- keep 10metres away from the cyclist in front unless overtaking. If overtaken you must drop back 10metres.
- Littering is not allowed, there are bins marked on exit from transition for any Gel packs, bottles etc. If you throw down litter you will be penalised as per new rules.

- Please go to: <https://www.britishtriathlon.org/competitionrules> website for all the race rules.

## RESULTS

- There will be interim results available after the last competitor has crossed the line, these will be to determine the prize winners.
- The full interim results will be posted on the web on the same evening. Any issues are to be raised with the race organiser ASAP.
- On the following Wednesday the results will be declared final and winners trophies posted out.
